

Personal

Name : Linda van der Ham
Profession : Senior SAP BI Consultant
Nationality : Dutch
Birth date : October 5 1981
Education : Bachelor degree at Hogeschool voor Economische Studies, Amsterdam
Business Administration (Bedrijfseconomie)

Profile

Linda is an experienced SAP BI / Finance Consultant. After graduating in Business Administration at the Hogeschool voor Economische Studies in Amsterdam, she started as SAP FI/CO Consultant at PricewaterhouseCoopers. After a few years of FI/CO experience she made the switch to SAP BW and later on developed herself in the areas of SAP BCS, Integrated planning, SAP Business Objects 4.0, SAP HANA (Certified in SAP HANA) and MicroStrategy.

Linda has the valuable combination of skills of a business consultant together with the skills of a technical consultant. Therefore she is very capable of translating business requirements into functional and technical specs. She implements her projects with a high customer satisfactory rate and she is well known for her positive and enthusiastic approach.

In the past 11 years Linda has done several assignments & projects for several customers.

Specialties:

- SAP BW
- SAP BW-BCS
- SAP BW- IP
- SAP BO 4.0
- SAP HANA
- SAP FI/CO/SL/New GL
- SAP HR
- SAP PU
- SAP MM
- SAP SD

--	--

6. Client	Heineken International
Assignment	Financial Reporting
Line of Business	Food& Beverages
Role	SAP BI / SEM Consultant
Period	April 2010 – April 2011
Description	<p>Responsible for all SAP BI and R/3 related activities for the department Group Control & Accounting.</p> <p>Summary of main tasks performed within this role:</p> <ul style="list-style-type: none"> • Participation in several SAP BW and SAP R/3 projects • Maintenance & Support: <ul style="list-style-type: none"> ○ Implement minor / medium change requests ○ 3rd line support for solving incidents <p>Projects:</p> <ul style="list-style-type: none"> • Integrated Planning (Forecast & Budgeting, BW-IP) <ul style="list-style-type: none"> ○ Responsible for changing and improving the Integrated Planning tool, used for Budgeting and Forecasting. • Submission to Global SEM-BCS System <ul style="list-style-type: none"> ○ Responsible for changing and improving the current data flow from SAP FI to SAP BI. Main activity, enhance the dataflow and add custom logic to the BI dataflow, which creates the possibility to apply certain SAP SEM-BCS functionality in the SAP BI system. This enhancement gives the Group Control & Accounting the option to perform validations and reclassifications which are required for their management reporting. Also created new reports to simplify the submission to the Global BCS system.

- Registration / Reporting of Legal Entities
 - Responsible for the registration of investments and shareholders in SAP R/3. Create SAP BI dataflow and reporting.
- A/R Intercompany Broadcasting
 - Responsible for setting up a new dataflow in SAP BI (a combination between Line items from the General Ledger and the module Accounts Receivable). The purpose of setting up this flow is for a better intercompany reconciliation. Created new reports (including custom logic for broadcasting) on this dataflow.
- MALT Quality Portal
 - Responsible for setting up a new dataflow in SAP BI (including web & Bex reports) where the submission of data came from an interface with SAP XI. The quality certificates (Excel Files) were sent via email, to SAP XI and from there sent to SAP BI (XML). On top of this dataflow Bex Queries and Web reports via the Heineken Portal could be executed. The web reports contain GIS functionality.

A summary of my activities related to my position at Heineken:

- Full Cycle project
- Write functional / technical design
- SEM-BCS Customizing
- BW data modeling (EDWH Methodology)
- BW Extraction
- BW transformations & routines (including ABAP Code)
- Data loading
- Integrated Planning (BW-IP)
- Implement authorization for SAP BW 7.0
- SAP Portal & GIS
- Reporting (BEx and Web)

7. Client	Achmea
Assignment	Maintenance & Support / Business Consultant
Line of Business	Insurance
Role	SAP BW / SEM Consultant
